## QUESTIONS AND ANSWERS.

### Government Orders passed up to end of March 1952.

*Q.*—147. **Sri K. PUTTASWAMY** (Srirangapatna).—

Will the Government be pleased to state:—

(*a*) the number of Government orders passed up to the end of March 1952 that were kept in abeyance for perusal by the present Ministry;

(*b*) the cases in which the Government orders were either modified or reversed (the nature of the cases and the reasons for changing the Government orders may be given);

(*c*) the number of cases in which the parties were heard and the number of cases in which the parties were not heard;

(*d*) if there are any cases in which the parties were not heard, the reasons for not hearing the parties before either modifying or setting aside the Government orders?

*A.*—**Sri K. HANUMANTHAIYA** (Chief Minister).—

(*a*) to (*d*) Information is being collected.

**Sri K. PUTTASWAMY.**—Is not the information asked for available in the Secretariat?

**Sri K. HANUMANTHAIYA.**—Sir, you will kindly allow me to take the House into confidence so that the Hon'ble Members will know that the answer I have given is not purposely evasive. The question was received on the 8th and I had to furnish the answer within the 15th, that is, within seven days. The nature of the question is such that we have to examine so many files in which orders have been passed. It is not as if files are separately arranged as those where orders have been reversed and another set of files where orders have been confirmed. It is therefore necessary that whoever is entrusted with the work of furnishing answers to this question will have to go through practically every file in the Secretariat. It is that difficulty that is confronting the Secretariat in collecting the information quickly. You will kindly see that the question requires the looking into very many files. It is therefore that delay has occurred and we have not been able to give the answer and I assure the Hon'ble Member that I am very anxious to furnish accurate information.

**Sri K. PUTTASWAMY.**—Will the Speaker kindly allow this question to be taken three days later so that I may get the answer?

**Mr. SPEAKER.**—May I know whether the Hon'ble Chief Minister will be able to furnish the information on the 24th or so?

**Sri K. HANUMANTHAIYA.**—The request of the Hon'ble Member is very reasonable, specially in view of my earnestness to furnish the information required. It may take 3 or 4 days; I will do everything in my power to furnish the information.

**Mr. SPEAKER.**—Next Question, No. 100 by Sri L. Siddappa.

**Sri J. MOHAMED IMAM** (Jagalur).—Will you kindly permit me to put the question?

**Mr. SPEAKER.**—Has the Hon'ble Member authorised the Leader of the Opposition?

**Sri J. MOHAMED IMAM.**—No written authorisation.

**Mr. SPEAKER.**—Next Question.
